Subject:	FW: February 4th for Council Meeting?

I'll change the worksheets later today but we will be moving the Trump Maintenance Matrix info to the February 4th agenda, so the public notice does not need to go out today. Thank you.

Subject: February 4th for Council Meeting?

Hello-

Thank you to everyone who is keeping this project moving along. I still want to keep the same dates for the inspections, etc., but it would help me to have a couple additional weeks to work on the report, i.e., move the City Council meeting date to February 4th instead of January 21st. However, I want to make sure that date still works for you both. Please let me know this morning if possible. Thank you.

Sincerely,

Amy Seeraty
